Welcome to Siesta Cove on Siesta Key, just minutes from world famous Siesta Key Beach. This bright, well maintained home offers comfortable island living in one of the area's most desirable neighborhoods. The layout provides excellent flexibility with both a living room and a separate family room, giving you plenty of space to relax or entertain guests. Oversized windows throughout the home bring in natural light and offer beautiful views of the mature tropical landscaping, creating an inviting atmosphere. An electric fireplace adds warmth and character to the living room, while the two skylights in the family room bring in beautiful natural light throughout the day. The kitchen offers granite countertops, a large island with seating, and generous cabinet storage. The cabinets are real maple with soft close drawers and doors, crown molding, and lighted glass display cabinets. Additional conveniences include under cabinet lighting and pull out drawers, making storage easy and accessible. The primary suite serves as a comfortable private retreat. It features a large walk in closet with built in organization and an en-suite bathroom with dual vanities, granite countertops, and a spacious tiled shower.
